## FACILITY MAINTENANCE & REPAIR

**Driftwood Builders, Inc.** offers you facility maintenance, emergency repairs, preventative maintenance, and facility maintenance consulting with its own qualified and licensed employees. We pride ourselves on our quality workmanship and courteous team of skilled professionals. We guarantee all of our work and assure customer satisfaction.

We are a locally owned, commercial construction company completing projects in Bartholomew and surrounding counties since 1982.

We have constructed buildings with a wide range of uses at competitive costs and of quality construction.

While most of our projects have been in the Columbus area, we have completed projects all around Central Indiana.

New Construction  
Architect Collaboration  
Renovations/Remodels  
Specialty Trades  
Major and Minor Repairs  
Ongoing Facility Maintenance  
Corporate Face Lifts  
Design/Installation of HVAC  
Lighting Projects

Count on our qualified project managers, carpenters, technicians and office staff to take care of your commercial building and facility maintenance/repair needs.
